

Disclosure:

Nothing on this web site should be considered a solicitation to buy or an offer to sell shares of any mutual fund in any jurisdiction where the offer or solicitation would be unlawful under the securities laws of such jurisdiction. The use of the Mercury Wealth Management web site Mercurywm.com is at your own sole risk. Mercurywm.com is provided on an "as is" and "as available" basis. Mercury Wealth Management makes no warranty that Mercurywm.com will be uninterrupted, timely, secure or error free.

This web site is published solely for informational purposes and is not to be construed as a solicitation or an offer to buy or sell any securities or related financial instruments. References made to third parties are based on information obtained from sources believed to be reliable but are not guaranteed as being accurate. Visitors should not regard it as a substitute for the exercise of their own judgment. Any opinions expressed in this site are subject to change without notice and Mercury Wealth Management is not under any obligation to update or keep current the information contained herein. Mercury Wealth Management accepts no liability whatsoever for any loss or damage of any kind arising out of the use of all or any part of this material. Our comments are an expression of opinion. While we believe our statements to be true, they always depend on the reliability of our own credible sources. We recommend that you consult with a licensed, qualified investment advisor before making any investment decisions.

Trademarks and service marks herein are their owners' property. Third-party data providers make no warranties or representations of the accuracy, completeness, or timeliness of their data and shall not have liability for any damages relating to such data. This report or portions of it may not be reprinted, sold or redistributed without the written consent of Mercury Wealth Management. Additional information on recommended securities is available on request.

Diversification does not ensure a profit or guarantee against a loss. There is no assurance that any investment strategy will be successful. Investing involves risk and you may incur a profit or a loss.
